Light Fastness

Colours comply with the requirements of BS EN ISO 105 – B02

Flame Retardancy Certifications

Passes Crib 5 Contract Upholstery
Passes Cigarette and Match
Passes IMO Upholstery
Passes CAL117

After Care

Regular maintenance greatly extends the useful life of a fabric. Ask for details of cleaning recommendations or consult a professional cleaning organisation.

Special Requirements

Customised shades can be produced to meet individual requirements. Our Design Studio also collaborates in the development of special fabrics to fulfill aesthetic or fitness-for-purpose criteria.

Ongoing Development

It is our policy to promote continuous product development and we therefore reserve the right to change technical specifications, introduce or withdraw fabrics from the Iona Crawford Collection without prior notice.
