Light Fastness

Colours comply with the requirements of BS EN ISO 105 – B02

Flame Retardancy

Passes Curtain & Drape (with additional FR treatment)

After Care

Regular maintenance greatly extends the useful life of a fabric. Ask for details of cleaning recommendations or consult a professional cleaning organisation.

Special Requirements

Customised shades can be produced to meet individual requirements. Our Design Studio also collaborates in the development of special fabrics to fulfill aesthetic or fitness-for-purpose criteria.

Ongoing Development

It is our policy to promote continuous product development and we therefore reserve the right to change technical specifications, introduce or withdraw fabrics from the Iona Crawford Collection without prior notice.
